HOW TO PRESCRIBE NITAZOXANIDE TO YOUR PATIENT

Should you wish to prescribe **Alinia®** (formerly Cryptaz® --active ingredient nitazoxanide) to a patient please follow the procedure outlined below:-

1. Complete the **"TGA-Category B Special Access Scheme"** proforma No: 2950 (0105). Proformas are available from the TGA web site or by calling (02) 6232 8111.
2. Fax the completed proforma to the **TGA (02) 6232 8112** (Phone: 02 6232 8111). Address it "For the Attention of The Medical Officer, SAS, Drug Safety & Evaluation Branch, TGA".
3. When TGA approval is received, fax the following to **Tri-Med on (08) 9388 1744**:
 - a. Copy of Application form
 - b. Copy of the Approved Notification received from the TGA
 - c. Order & Payment form

Once payment is received, TRI-MED will ship the prescription medicine to the prescribing medical practitioner (or the patient - as directed by the practitioner).

Please Note:

Generally, the Commonwealth does not subsidise (through Pharmaceutical Benefits Scheme - PBS) the cost of unregistered products such as Alinia® (Nitazoxanide). Questions about the PBS should be addressed to the PBS Telephone Information Line 1800 020 613.

Applicant and/or the patient may wish to check with TRI-MED as to the cost of the medicines involved prior to Step 3.
